The 1987-88 school brought many changes to the Ganesha student newspaper.

Mrs. Lee Schwartz took on the feat of advisor for the first time and Julie L. Parks stepped in as editor over a small staff that is made up mostly of new reporters.

In order to improve the Ganesha Giant Stride, Julie spent two weeks in New York studying editorship and journalism skills at Columbia University.

Changes in layout and type styles were also made in hopes of a sharper and more professional look.

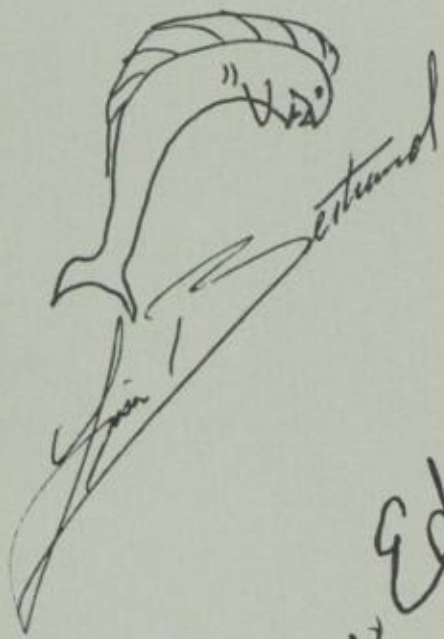

All in all, the newspaper staff has worked hard in an attempt to reorganize and create a more informative and interesting periodical.

## School Day Memories

As we reach out our hand  
The diploma we grasp,  
While we think of the memories  
Of the years past.  
Tears fill our eyes  
Because it's all gone,  
We're starting a new life,  
We have to move on.  
We hope friends will keep in touch  
As the years go by,  
Although it hurts inside  
We'll try not to cry.  
We think of kindergarten  
And our first day,  
Now we've reached the end  
We are going away.  
How do you say good-bye  
To friends who mean so much?  
Will there be time  
To sincerely keep in touch?  
You'll always have the memories  
Of your school years from day one,  
Don't think of school as ending-  
Think a new life has begun.

First of all I would like to thank the two most important women in my life, my mother and my grandmother. You both mean the world to me and remember I'll always love you both!! I would also like to thank all the homeboys and of course the one and only LAYBOYS!!! Yo Drake, it's HO TIME!!!

# MR. LOPES CATCHES

Last spring I was approached by Dr. Leonard Duff, Area II Superintendent, about my re-assignment as principal to Ganesha High School; needless to say, I was excited. My experiences at the high school level in the Bay area had been challenging but pleasurable and I was eagerly looking forward to returning to the high school level in Pomona. I have always enjoyed the sophistication of the young adults in high school. The students have always responded to my style of leadership and this fall has been no exception. I'm impressed with the leadership of our A.S.B., Stride, and yearbook staffs, as I've had the opportunity to meet and share with them my expectations. The class meetings that were held following each grading period and the responses from the students indicate we are heading in the right direction.

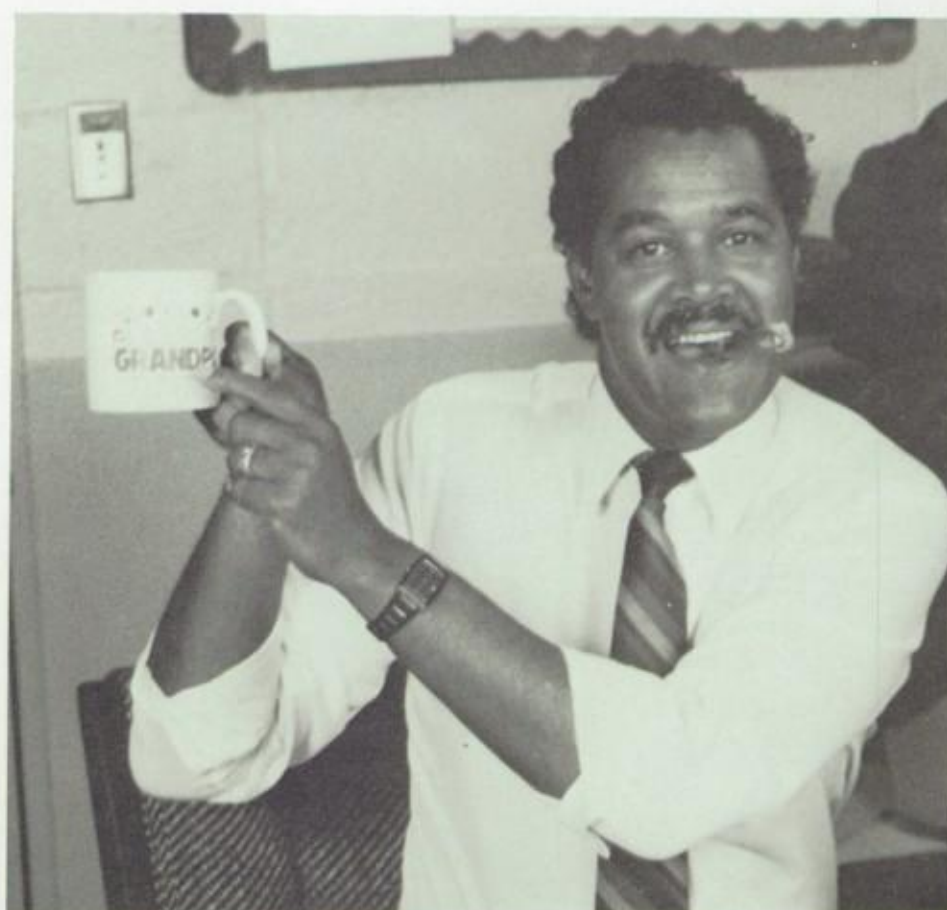

The atmosphere has been extremely pleasant. Most of the students are self-motivated; also, most approached the school year on an "up" note. I'd be remiss if I did not acknowledge the tremendous cooperation and teamwork shown during the opening weeks of school when the air conditioning units were being installed. I believe we appreciated each other's responsibilities and rights during this unsettling time.

# GANESHA!

My two years at Marshall Junior High School prepared me well for the task at Ganesha. A number of freshmen and sophomores had experienced "The Lopes Approach" and made the transition smooth for both themselves and myself. Finally, you have made my first year a memorable one.

Senior high assistant principals perform a variety of duties to assist the principal in the administration of a secondary school; organize, coordinate and develop the instructional curriculum, the school testing program and other activities related to instruction; coordinate and direct the implementation of policies related to student conduct, attendance, discipline and safety; and supervise and evaluate the performance of staff.

L. Deal

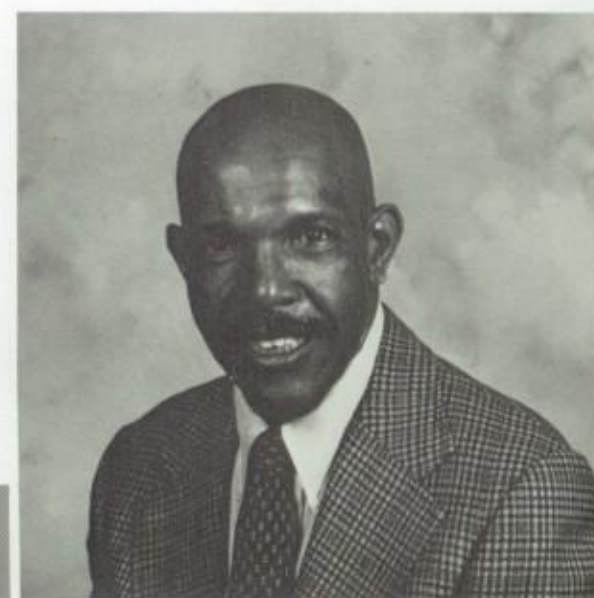

E. Lepp

The guidance department at Ganesha is here to serve the needs of the entire student body. Mrs. Lepp is the college counselor and is responsible for all college, scholarship, and financial aid counseling including college applications and information regarding college entrance exams such as the SAT. Students desiring information or counseling in these areas will see Mrs. Lepp regardless of grade level. Mr. Simmons, Mr. Deal, and Mr. Demetrian are responsible for the other areas of counseling. Their primary concern is to work with their counselees in an attempt to see them graduate in four years. Presently, Mr. Simmons handles all students whose last names begin with A-G, Mr. Deal covers H-O, and Mr. Demetrian takes P-Z. This includes all grade levels. These men are also available to help their counselees with school-related and class difficulties as well as personal and family problems.

# English DEPT.

N. King

All students at Ganesha High School are required to successfully complete four years of English for graduation. Students take two semesters of English 9, English 10, English 11, and English 12. Most of these classes are literature based. In addition to these required courses, students may elect to take Journalism, Yearbook or Drama within the department. Nine of our teachers taught all English courses. Three of them taught English as well as other subjects. The Ganesha English curriculum follows Model Curriculum standards established by the state and includes a variety of reading, writing, listening, and speaking activities.

The Math Department is expanding! The number of students taking upper level math courses is growing and the classes offered in the Honors program are increasing. Ganesha now offers Honors Geometry, Honors Algebra Two and Advanced Placement Calculus. Next year we will add Honors Math Analysis to the roster.

There has been a Math Club at Ganesha for the past two years and there are plans to form a Consumer Math Club in the near future.

The main objective of the Social Science Department is to help students acquire the knowledge and understanding they need to function intelligently as citizens in an ever-changing, interdependent world. To help meet this objective all students are required to take World History, U.S. History, Government, and Economics. Other course options include: Anthropology, Psychology, Sociology, and Marriage and the Family.

The department offers college preparatory courses for students who plan to attend a four year college.

Our Science Department offers eight different courses and is serviced by 11 different faculty members. It has the potential of providing a four year sequence in the Biological Sciences, and can also provide a two year sequence in the Physical Sciences. Therefore, a student can not only easily fill graduation requirements and his or her university requirements, but still is able to select electives in science. The Science Department now affords the opportunity to be part of two Science Clubs. It also provides encouragement to participate in regional academic contests such as: The L.A. County Science Fair, The Academic Olympiad, The Academic Decathlon, and M.E.S.A. Day Competitions.

It is hoped that in years to come Physical Science will be able to provide a more comprehensive program and a four year sequence, or possible A.P. courses in both the Biological and Physical Sciences.

"Giants" are required to take Freshman P.E. which includes tennis as well as other team sports. All classes are coed and often there are boys in Dance Class and girls lifting weights.

This year many students are enrolled in Spanish III, French III, and Humanities, an enrichment course for the arts. Music, Art and Drama, with 75% of the instructors new to Ganesha, continue to involve our creative students, giving them the opportunity to explore another spectrum of their personalities. # VOCATIONAL EDUCATION DEPT.

J. Hagemann

B. Mason

D. Fackler

S. Schmitz

The department includes Business Education, Home Economics and Industrial Technology.

Many changes are occurring in the department. Courses have been rewritten in most areas to recognize more academics. Vocational Education courses have always been a practical way of showing the students how to use or apply their Math, English and reading skills. Moreover, to calculate, compute and communicate. We hope students recognize the need for higher level courses when applying their skills.

We're using computers in the business courses, drafting, electronics, graphics for desktop publishing and automotive for tune-ups. Home Economics has one for design and child development profiles and has expanded to include teen and family living, fashion design and HERO (Home Economics Related Occupations). Foods is being rewritten into the curriculum next year. We hope the juniors, sophomores and frosh utilize the courses in the future.

Hi my friend. God. I don't think  
that you know exactly how much  
you mean to me. I think that  
you are a really special person.

I appreciate all the  
times you have helped  
me. When I move, I  
want you to come and  
stay with me. And if my  
family ever decides to go  
on a vacation for once in  
their life. You'll be the one  
who will go! Don't let any-

about Tim, b'cuz

A.S.B.: Whose initials stands for Association Student Body. Is an organization made up by students who are eager to learn and achieve new ideas. It's headed by Robert Melgoza with advice from Mrs. Sutton. Robert at the beginning of the year promised to make this year better then ever. So far, he has succeeded with the help of Cathy Fountain, Katy Lee, Ginean Lewis, Shane Palmer and of course everyone else in it. A.S.B. is the organization for the students of Ganesha. They help to make dances and off-campus entertainment possible, as well as all lunch activities. As you can see, this is hard work! But once in awhile, there is some fun to it. For example, they go to retreats, they have car washes, garage sales, they paint the walls that run all the way down Ganesha Blvd., and they go to other schools to meet the other members of A.S.B. Here they compare notes as well as make new friends. So you see A.S.B. has something to offer each member in the group.

Many times the C students are motivated to perform the best. The Decathlon tests the students' knowledge in economics, mathematics, science, fine arts, social science, and language arts. The Math Club is in its' second year of existence. The computational, and very figurative Math Club have kept up the same roads on which their forefathers walked only two years ago. These young wizards of math, headed by the exuberant master mind of Mrs. Diane Kinch, not shown, have continued the tradition of the tutoring program, competing in the American Scholastic Mathematics Contest, and have created an even better Haunted House than last year. And if you were wondering if they still have the brains of their forefathers, well the answer is 'YES'. If you want them to, they can figure out how many blades of grass John cuts in a 43.67 acre lot with a 3.5 horse-powered mower with 2.25 inch wheels, taking into consideration the 30 newton drag force on the handle with respect to the horizontal. No problem!!!

# FRENCH

Section Editors

The Titan Club is a group of young students who come together everyday during sixth period to create, compose, and lay-out the yearbook for Ganesha High School. They are a group of enthusiastic, talented learners who combine their artistic ideas with their practical applications. This year they hope to put together a yearbook that reflects the pride that exists in student-body of Ganesha.

# TITAN

Kneeling: Fabian Calderon, Lisa Richards, Aaron Lesky, Julie Larson, Denise Zullo, David Mateus, Michele Schroeder, Maricela Ayon, Linda Catillo, Maricela Ramirez, Cynthia Wiseman. Sitting: Dora Moreno, Jacqui Edwards, Michele Soto, Chawn Lemons, Tracy Jones.

Being one of the three editors was a lot of fun, but also a lot of work! Even though we had a slow start, we managed to get things going by pulling together and working as a team. We all had our different opinions but in the end, we were able to compromise with some good ideas. After working with the yearbook for four years, I have to say that the 1987-88 Titan class was the most dedicated group of students I have worked with. I hope those who follow us keep the great pride of Ganesha Titan alive!

### Jacqui Edwards

As the editor-in-chief to the Titan, I've had quite an experience. My experience includes staying after school until the cows come home, crying from frustrations until my eyes are ready to pop out of my head and screaming until my voice goes out. Yearbook has been three successive years of my high school life, but it's been three years I wouldn't have changed for the world.

Yearbook is a joint effort and something that takes a lot of energy and effort. Although I work on the overall success of the yearbook, I couldn't have done without a little help from my friends.

Thank you Yvonne Frame for your strength and belief in me. Thank you Lori Andrews for being there when the bricks fell. Thank you Titan staff for helping put together a great yearbook. Thank you faculty for your support. And a special thanks for not asking me for a pass six period.

The California Scholarship Federation (CSF) is a state chartered organization which supports excellence in academic achievement at the high school level. A Student may become a CSF member by earning at least three A's and one B each semester. If they are a member for at least four semesters, one semester being in the senior year, they become eligible for "Sealbearer Status" and "Honors" at graduation. Sealbearers may also qualify for college scholarships. CSF is a service club on campus. They usually plan two weekend retreats each year. One retreat is in the mountains and the other at Catalina Island.

People change. Seasons change. Friendships last forever. I'd sacrifice tomorrow just to have you here today. It's yesterday. It's hard to believe you're gone.

You came into our lives from Hacienda Heights with so much to offer. What a wonderful, beautiful, outstanding person you showed us you were.

C.S.F. can't forget the joy you brought to Catalina. On the court we remember you as Huckleberry. You always gave 100% and a smile to go along with it. In your Honors Algebra II class your seat is saved, just as in our hearts your memory is saved.

## RALLY 87-88

"We got spirit, hey!. Hey! We got spirit We got spirit hey! hey! we got what, what, what, what, a-what a-what, a-what, what, what, we got spirit!! This cheer is a familiar one to loyal fans of Ganesha's Giants and to the loyal rallymembers of Ganesha High! At every game the rallymembers are shouting out cheers that echo throughout the crowd of G-High supporters. Their spirit inspires the team and enlivens the audience. Through the rallymembers energy, a wave of pride is generated throughout the crowd. This makes every game an exciting event.

# catch the spirit

The 1987-88 Varsity Cheer Squad consists of eight very talented young ladies. Promoting spirit and being the best was their main concern. This all came about with their hard work and strong effort to be successful, by practicing throughout the summer and attending spirit camp. They seemingly reached their goals. This years cheerleading squad has shown to be one of Ganesha's very best.

The 1987-88 Junior Varsity Cheerleaders had a great will to learn and experience new things, this showed their deep dedication to their school. They would not only cheer at J.V. Games, but also at freshman games! This was much appreciated. This experience that they received from being J.V. will help them next year. Good luck girls!!!

CATCH  
THE:

"Groove" This is definitely a word that describes what our 1987-88 Varsity Songleaders had. They enjoyed having the "groove" and trying to make others catch it. Now, this doesn't mean it was all "grooving". There was some hard working and much perfecting to do also. This was all accomplished during summer practices and camp. But all in all, if you know they've got the groove, and want to catch it!

Dora Moreno

Sheri Klevens

Laura Juarez

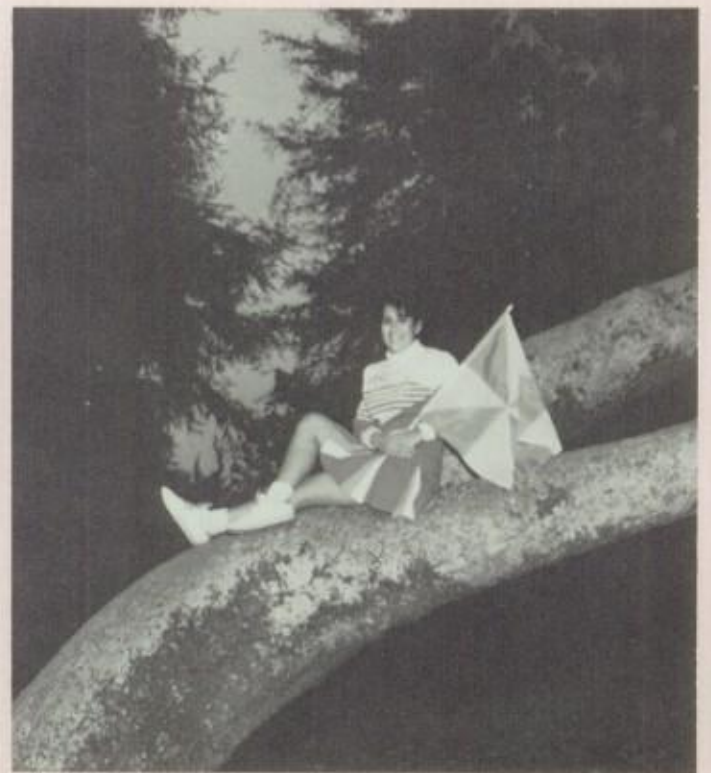

Our 1987-88 Junior Varsity Songleaders were filled with rhythm and were dedicated to make everyone feel it. Their main goal was to promote the much-needed spirit at J.V. games. They went through quite a lot learning new cheers and routines during summer practices and spirit camp. These five young ladies represented Ganesha High School's 1st ever J.V. Song squad. The experience they receive will help them for next year, "Get it girls!"

Mary Ong

Our Ganesha High School Varsity Flagleaders are filled with "pride" this year. They have worked very hard this year and have perfected many cheers and routines that they were taught at the U.S.A. Spirit Summer Camp in Santa Barbara. Being a Flagleader is loads of fun, but also takes alot of patience, dedication and skill. There is only one senior leaving the squad this year. So you will see many of these young ladies next year.

## "Seniors"

Our leaving seniors are: Gloria Varela, Heather Ebbert, Tracy Pierce, Claudia Juarez, Luana Ortiz, Linda Stoddard, and Katie Dailey. GOOD LUCK GIRLS!

## "Captains"

Top Row: Linda Stoddard, Sheila Davidson, Dawnette Martinez, Maricela Ramirez. Bottom Row: Heather Ebbert, Elise Parkins, Tracy Pierce. Being a captain takes alot of hard work and dedication. These girls have fulfilled these qualifications. Good Job!

## CATCH US IN THE HACIENDA LEAGUE.

**G** - HIGH'S FOOTBALL TEAM HAS A REPUTATION FOR EXCELLENCE. THOUGH NUMERICALLY, THIS SEASON, THEY HAVE BROKEN NO RECORDS, THEY HAVE CERTAINLY IMPRESSED UPON US THE TRUE EXTENT OF THEIR DEDICATION TO G-HIGH AND THEIR FANS. OUR TEAMS HAVE AN ABUNDANCE OF TALENT, AND WHAT WAS LACKING IN SCORES THIS PAST YEAR WAS MADE UP WITH EFFORT AND SACRIFICE. COACH HUEY, THE FOOTBALL COACH AT GANESHA FOR THE PAST 17 YEARS FELT THE TEAM HELD TRUE ABILITY AND SKILL, THERE HAS ONLY BEEN SOME TROUBLE IN "EXECUTION" OF THOSE SKILLS. HE COMMENDS THE MANY FINE PLAYERS ON THE TEAM AND EMPHASIZES THE EXCEPTIONAL TALENTS OF RODDY LAYTON, KENNY STEELE, AND WILLIE WARREN THE RECEIVERS, AND PAUL BONNER, QUARTERBACK. HUEY OFFERS SPECIAL THANKS TO THE FOOTBALL COACHING STAFF (IRWIN, DIAZ, MUSSACK, AND MACIAS) FOR THEIR PERSEVERANCE, TO THE TEAM MEMBERS WHO POSSESS THE COURAGE AND THE INITIATIVE TO "STICK IT OUT" FOR THE ENTIRE SEASON. "IT'S EASY TO QUIT WHEN WE'RE LOSING, BUT IT'S DIFFICULT TO STAY AND SWEAT IT OUT." REGARDLESS, THE FOOTBALL TEAM IS, SHOULD BE, AND ALWAYS HAS BEEN A SYMBOL FOR EXCELLENCE AND PRIDE. THE PLAYERS EXEMPLIFY THE SUPREME KIND OF COMMITMENT OWED TO GANESHA HIGH SCHOOL.

A CHANGE OF COACHES, NO CHANGE OF HEART.

THE COACH OF THE INFAMOUS CC TEAM IS MRS. S WATTERSON. SHE HAS BEEN COACHING CC FOR 3 YEARS. 4 YEARS HAVE BEEN DEVOTED TO TRACK AND FIELD. SHE SAYS, "I THOROUGHLY ENJOY COACHING CC BECAUSE OF THE WILLINGNESS TO WORK HARD AND GET ALONG WELL AS A TEAM." IT'S LIKE A FAMILY.

MRS. WATTERSON. HAS BEEN A TERRIFIC COACH THROUGH THE YEARS. SHE IS SENSITIVE, SYMPATHETIC, CONSIDERATE, AND HELPFUL. "LAST YEAR WHEN I DISLOCATED MY SHOULDER DURING TRACK PRACTICE, SHE WAS THERE TO HELP ME THROUGH THE PAIN. I NEVER REALLY GOT A CHANCE TO TELL HER THANK YOU, NOW I CAN." THANK YOU MRS. WATTERSON FOR BEING THERE WHEN I NEEDED YOUR HELP. I KNOW THE TEAM IS GLAD TO HAVE YOU AS THEIR COACH." CYNTHIA WISEMAN. SHE'S THE TYPE OF COACH WHO GOES OUT OF HER WAY TO MAKE YOU SMILE AFTER A RACE. WHENEVER YOU NEED SOMEONE TO LISTEN TO YOUR PERSONAL PROBLEMS, SHE'S THE ONE TO GO TO. KEEP UP THE GOOD WORK!

# ON THE RUN

Cross-country is a tough sport. It requires dedication, perseverance, and hard work. The runners as their title states are expected to run cross-country during practice and for meets. Just because it is a tough sport, doesn't mean it isn't fun too. "I've stayed in cross country for all of my four years at Ganesha high school because it is one of the few sports where the team is like a family. We support each other, sweat together, but best of all we share each others happiness when we win. CC is great, join, and learn what being part of a team is all about..." Says, Cathie Fountain.

"Ganesha's #1 Cross-Country team" this year through their hard efforts have had the biggest pay off. Both the girls and the boys team made it to C.I.F. "This was the first Ganesha's girls CC team to ever have that privilege," says, Mrs. S. Watter-son, their coach. The boys varsity team on the other hand has earned that glory three years pending.

*Ganesha's Cross Country you've made us proud.*

# COURT FEVER

ANDREA GETS UP THERE AND GETS THE BALL. HER HEIGHT IS REALLY A HELP.

I HAD IT.

THE GANESHA GIANTS GIRLS BASKETBALL TEAM HAS COME A LONG WAY YET STILL HAS A WAY TO GO. WE'RE SURE THAT INCOMING FRESHMEN 6'0 ANDREA RUTLAND WILL SUCCESSFULLY CARRY THE HEAVY LOAD AS CENTER. ALONG WITH THE 3 YEAR VARSITY EXPERIENCE OF MONIQUE JOHNSON WE'RE BETTING THAT THE 87-88 SCHOOL YEAR WON'T BE TOO MUCH FOR THESE FINE YOUNG LADIES TO HANDLE. TRACEY JONES IS ANOTHER VETERAN TO THE VARSITY LEVEL. SHE HAS A LOT OF POTENTIAL AND HAS THAT SPECIAL SPARK FOR US THAT WE NEED.

ALSO NEWCOMERS CARMEN ARMONES AND LA TRICE BENJAMIN DEFINITELY BRINGS STRENGTH TO OUR TEAM.

TOP ROW : COACH C. BROWN, ANDREA RUTLAND, BEVERLY HACKETT, KIM BROWN, DEENA OCON, TRICEY BENJAMIN, CARMEN AMONES, BOTTOM ROW : DENITA BOYKIN, MONIQUE JOHNSON, SHONTEL PATTERSON, SYLVIA RUSH. PICTURE NOT SHOWN TRACEY JONES.

## TAKE A LOOK AT US NOW !

MONIQUE SUCCESSFULLY RE-BOUNDS THE BALL.

HOLD ON TO IT KIM.

CATCH DEENA.

GIRLS BASKETBALL HAS COME A LONG WAY THIS YEAR. WE HAVE A LOT OF TALENTED PEOPLE ON THE TEAM. I THINK WE HAVE A CHANCE FOR C.I.F., BUT IT'S GOING TO TAKE A LOT OF HARD WORK. I FEEL THAT WE HAVE A WINNING SEASON THIS YEAR IF WE TAKE BASKETBALL SERIOUS.

SENIOR, KIM BROWN.

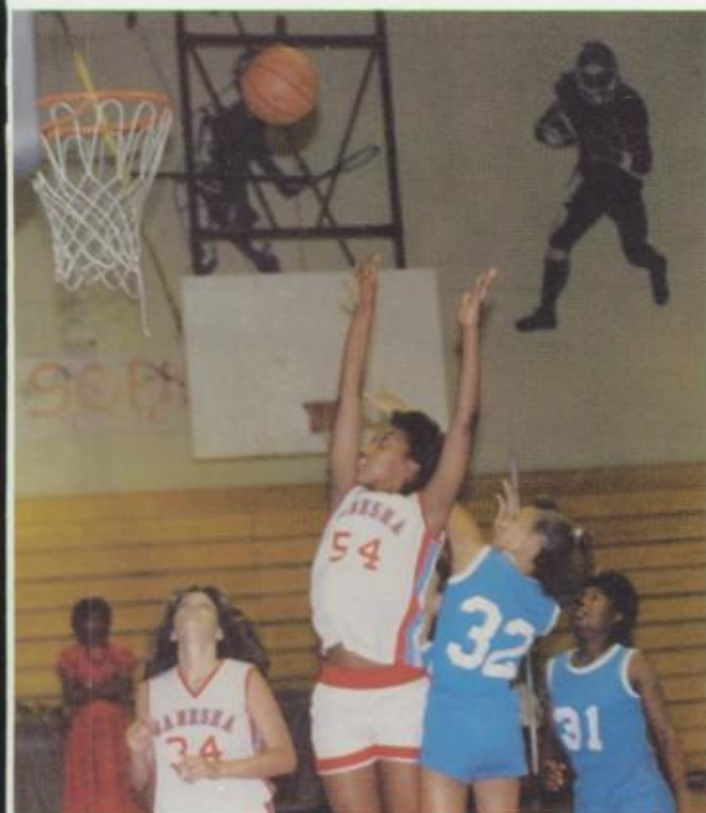

THE SENIORS ON THE TEAM WOULD LIKE TO THANK COACH BROWN FOR ALL HER LOVE AND SUPPORT THAT SHE HAS GIVEN US. NOW IT'S TIME TO SAY GOOD BYE. LOVE YOU.

KIM BROWN, TRACEY JONES, DENITA BOYKINS, CARMEN AMONES, AND MONIQUE JOHNSON.

WILL ANDREA'S SHOT MAKE IT?

# SCORE!

WITH ALL EYES ON HER, DEENA SUCCESSFULLY GETS THE SHOT OFF.

# JUNIOR VARSITY FOOTBALL

ARE WE WINNING YET???????

This year our sophomore players have demonstrated their talents as well as their spirit. Most Spirited: Ed Seals. Most Dedicated: Danny Eickmeyer. Most Valuable Player: Best Deffensive Player: Andy Pena and the Coaches Award went to Aaron Jones.

Just standing around catching the action!!!

Alphabetical order: Tim Adams, Jason Alexander, Hector Cerda, Eric De Jesus, Danny Eickmeyer, Scott Flores, Paul Gonzales, Mike Guarderas, Mike Hetrick, Aaron Jones, Marcus Manuel, James Mayers, Jeremy Palmer, Albert Parish, Andy Pena, Ryan Perry, Adam, Poe, Willie Rasmus, Saul Rivera, Brian Salcido, Phillip Samuels, Terry Scott, Ed Seals, Jermaine Shiver, Rex Sanchez, Tony Solorio, Kenyon Taylor, Tony Walder, Ian West, Kevin Wilson, Shervan Wilson, Nelson Grant.

"OUR VARSITY BASKETBALL SEASON WENT AS WELL AS WE COULD HAVE EXPECTED- ACTUALLY IT EXCEEDED MY OWN EXPECTATIONS. WE WERE AN INEXPERIENCED TEAM WITH ONLY TWO VARSITY LETTERMEN RETURNING FOR THIS SEASON. WITH NO STARTERS BACK FROM THE PREVIOUS YEAR, AND NINE OUT OF ELEVEN PLAYERS HAVING J.V. EXPERIENCE OR LESS, I FEEL WE GREW TREMENDOUSLY AS A TEAM AND PLAYED VERY WELL ALL THE WAY DOWN THE STRETCH. OUR LACK OF BIG-GAME EXPERIENCE HURT US IN OUR QUEST FOR A LEAGUE TITLE. WE DID ACCOMPLISH OUR GOAL OF BUILDING A COMPETITIVE TEAM. WE SET HIGH STANDARDS FOR ACADEMIC ACHIEVEMENT AS WELL AS IMPROVED DISCIPLINE ON AND OFF THE COURT."

"THIS YEAR HAS DEFINITELY BEEN A WINNING SEASON FOR THE GIRLS VARSITY SOCCER TEAM. BESIDES MAKING THE C.I.F. CHAMPIONSHIPS, THEY ALSO HAVE RUN UNDEFEATED THE WHOLE LEAGUE SEASON WITH THE EXCEPTION OF A LOSS TO BONITA HIGH SCHOOL. WITH THE EXPERTISE OF GOALIE SHANNON MATHEWS, THE GIRLS HAVE WON FIRST PLACE IN THE HACIENDA LEAGUE! THIS YEAR'S TEAM CONSISTS OF TWO FRESHMEN, THREE SOPHOMORES, SIX JUNIORS, AND ONLY TWO SENIORS. THE MVP OF THE 1986-87 SEASON, DEANNA STAFFORD, HAS BEEN A BIG HELP THIS SEASON, LEADING THE TEAM WITH THE MOST GOALS, BUT THIS CHAMPIONSHIP HAS BEEN BASED ON THE EFFORT OF EVERY TEAM MEMBER."

**J.V. GIRLS' SOCCER**  
 GANESHA'S JUNIOR VARSITY GIRLS' SOCCER TEAM CAN BE DESCRIBED AS ENTHUSIASTIC, TALENTED AND HARD-WORKING. THEY ARE A GROUP OF GIRLS DEDICATED TO SCHOOL SPIRIT AND TEAMWORK. THEIR NOBLE EFFORTS OUT ON THE FIELD TO REPRESENT GANESHA WITH DIGNITY AND PRIDE HAVE GAINED FOR THE TEAM A REPUTATION AS AN ENERGETIC AND DETERMINED GROUP OF GIRLS. THEY ARE TRULY COMMITTED TO THE IDEAS OF "GIANT PRIDE" AND HIGH SCHOOL SPIRIT. THANK YOU J.V. GIRLS SOCCER TEAM FOR BEING SO TRUE TO YOUR SCHOOL!

Girls Tennis had an upswing year. We have become competitive with other schools in our conference. The trick now is to keep all the team members healthy. We were plagued with injuries throughout the season.

The following are the results of each individual and the fine playing that they did.

Kathy Hoang: Team Captain: Kathy kept the team under strong leadership with her great attitude and fine leadership skills. Kathy's playing style is to hit everything she can get her racket on. Kathy is a slow but steady player this sometimes frustrates the opponent because they can't get anything by her.

Trang Hunhy: Trang has improved tremendously from last year. Trang is now competing for number one singles with Kathy. Trang's style of play is to hit hard and never look back. Trang has an excellent attitude both on and off court. I'm looking for some great games from her for next season.

Lisa Bertrand: Lisa has been underestimated by a lot of opponents and it always seems to work to her advantage. Lisa's style of play is to run around her backhand and hit a wicked forehand that you would not expect from her. Lisa has one of the more decent serves on the team.

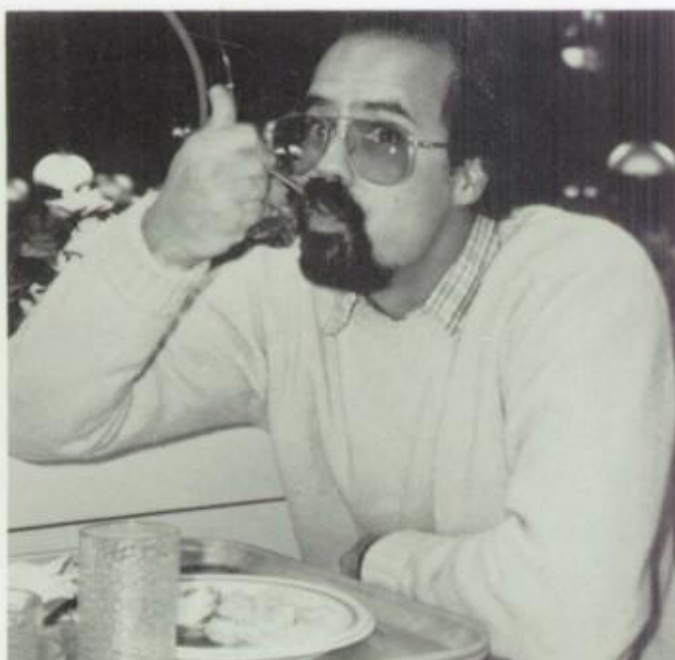

Sylvia Salcido & Kim Calvin: Sylvia and Kim were the number one doubles team. These two worked well together. Sylvia and Kim's style of play compliments each other. Kim is aggressive where Sylvia is more passive put the two together and you have a dynamite doubles team.

Elizabeth Nichols & Sandra Nunez: Sandra and Elizabeth were my number two doubles team. These two used steady play through out the season and I look forward to having them back next year so we can show other teams that we mean business.

Tam Quach & Laura Razo: Tam and Laura were new to the team this year and did a remarkable job on the tennis courts. Laura is our only graduating senior it's just too bad that she didn't play as a freshman. Tamis is a strong player and will be looking real strong for next year.

Girls tennis at Ganesha needs to grow. We need girls who are willing to put forth an effort in bettering themselves mentally and physically so we can be the number one team in our conference.

See, Ya, next year:

#### FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene flashed before him he noticed then many times along the path of his life there was only one set of footprints. He also noticed that it happened at the lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."
